

Product Description

Luxedo is a scented purifying cleaner for evaporators and surfaces designed to remove germs and bacteria granting a deep level of cleaning.

Its fast and effective purifying action is the best solution for home, car and offices daily cleaning and for ordinary maintenance of indoor A/C units. It is a regenerative treatment as it removes also organic residues and dirt which has been accumulated over the years, slowing down their reappearance. Luxedo removes allergens (from dust mites, dogs, cats, pollens) on hard and non-porous surfaces. It doesn't leave aggressive chemical residues on surfaces and grants a deep sanitizing action with a simple gesture. It's not aggressive for the surfaces and the operator. It's ready to use and acts in just 5 minutes. No rinse required. Luxedo is suitable for HACCP plan. It removes unpleasant smell releasing a fresh clean scent.
